### **SPECIAL NOTES:**

- Team colors are: Blue Baboons (dark blue), Latino (white), Mac Eire (light green), and Soccer Moms & Pops (red). Players who don't want to buy a shirt may use their own shirt of similar color. Quicksilver is now "Mac Eire".
- Returning players can sign an existing waiver; I'll bring them to the field in a team envelope.
- If you plan to play this fall, please let me know as soon as possible, preferably by email (see my contact info above).
- Please note the change in male player eligibility. Male players can now be 25 or over, but there will be no "exempt" players anymore, players who are under the age limit.
- Please note the reduced player fee schedule for female players. This is intended as an incentive to increase participation by female players.
- If you are interested in buying a long-sleeved T-shirt this fall, please let me know your size: S, M, L, XL or XXL. Estimated cost: \$10 - \$15. I'll need a minimum of 12 requests to place an order.
